PyCon India Sponsorship prospectus

The Indian Python Software Society(IPSS) and the PyCon India organizing committee are happy to announce the third PyCon India. The conference will be held around September 2011 in Chennai. The exact dates and venue are yet to be confirmed.

Your sponsorship helps keep PyCon India affordable and accessible to the widest possible audience. The conference is the largest Python Software developers conference in India. The IPSS is a non-profit organization established to promote the use of Python programming language and conducting the annual conference.

PyCon India 2011 will bring together Python developers and enthusiasts of various backgrounds. The PyCon India organizers and the IPSS relies on corporate sponsors to make the conference a big success and happen every year. By sponsoring the conference your organization will be better connected to the Python community in India.
